THURSDAY MEN'S LEAGUE

Two-man teams playing a Net Best-Ball format for 20 weeks beginning April 11th and ending August 29th

- LEAGUE DIVISIONS WILL BE DETERMINED BY TEAM HANDICAP
 - NO LEAGUE PLAY ON INDEPENDENCE DAY
 - ALL PLAY BEGINS AT 5:30 SHARP

Each player's current Quail Run handicap will be used. Each week the top 7 net (w/hdcp) scores in each division will split \$400 from the weekly prize fund. In addition, closest to the hole on all the par 3's will be worth \$20 credit each. Teams earn points each week by simultaneously competing in a 9-hole match-play & stroke-play format against the other 2-man team they're paired with on that particular evening. If both regular players are present, teams will receive 4 points for a match-play win, 4 points for a stroke-play win, and 4 points for the lowest (net) team total. Should any of the competitions end in a draw, the points are split. Within each division, the top 6 teams that have accumulated the most points at the end of the season will split \$1000 shop credit.

SUBSTITUTES...Teams winning with 1 sub will receive 75% of the earned points while teams with 2 subs will receive only 50%. Double points will be awarded on the final week of league as long as both regular team members play, otherwise, regular points are awarded. If regular team members are unable to play, anyone with a current, approved handicap is eligible to substitute. If you're unable to play as a regular but would like to occasionally sub, no seasonal fee is required. Simply let us know you're available and we'll add you to the sub-list that is distributed among all teams.

ENTRY FEES...The one-time seasonal entry fee is \$50 per team and the weekly entry fee is \$5/man plus cart, if applicable. Non-pass holders add \$15.75 tax inc. and senior non-pass holders add \$13.50 tax inc. By April 1st all regular team member's with an e-mail address on file will receive correspondence containing league guidelines, the roster of regular teams, the 2019 round robin schedule, the weekly and seasonal prizes available, and the sub list.
