

2020

Quail Run Men's Association

The Quail Run Men's Association offers a variety of organized, competitive events beginning April 25th. The association had 95 members in 2019 and is open to all men that play at Quail Run. Every event is formatted and/or handicapped to allow all participants to be competitive, regardless of their ability. Establishing and maintaining an **accurate & consistent** handicapping system is essential in leveling the playing field. Quail Run golfers are asked to return **ALL** scorecards to the golf shop so that we may post them and keep your handicap current. All association events will be conducted in accordance with the rules of golf as specified by the USGA (down everywhere) therefore, it is strongly recommended that all players and their respective groups adopt this form of play on a regular basis.

GROSS DIVISION & NET DIVISION FOR INDIVIDUAL & BB EVENTS

1. All players will compete from the same set of tees.
2. There will be a gross score and net score payout for each division.
3. GROSS & NET division cup points.

The 2020 dues to join the remains \$50 (**\$40 for Quail Run pass-holders**) and following is what you can expect:

- Complimentary handicap fee for 2020 (\$25 value)
- Complimentary cookout & a draft beverage for six events
 - 2 events with Cash Prizes

Amended Schedule of events for the upcoming 2020 season
