The following 3 weeks will be spent applying and reinforcing the basic fundamentals of golf, which are **Stance, Alignment, Ball Position, Grip & Grip Pressure, Posture, and Club Release** and how they relate to the swinging of the club.

**Young golfer's ages 7-13 participating in the 2018 program are encouraged to play at Van Berg free of charge when accompanied by an adult. Older golfers (14-16) may play free of charge without an adult.**

*When it comes to clubs for kids, there are two main areas of concern....grip condition and club length.*

*Equipment should be checked for these factors as one is just as important as the other.*
